IIM Kozhikode

Introduction

The Indian Institute of Management Kozhikode or IIMK was instituted by the Indian Government in collaboration with the State Government of Kerala. It must be noted that IIM-K is the 5th Indian Institute of Management. Just like other institutes of IIM family, this institute has also attained similar reputation worldwide for academic excellence and expertise. It desires to maintain international standards in all of its academic activity. The ultimate goal of IIM Kozhikode is to rise as an internationally renowned fully integrated management institute of higher learning. It organises various academic activities regarding the management education comprising research, teaching, training, consulting and intellectual infrastructure development to enhance the management systems in India.

IIMK Admissions

Admission to the PGP Programme at IIM Kozhikode

The post Graduate Programme in Management is the most crucial educational programme with an ultimate aim of moulding and shaping the senior level executives in industry as well as in other sections. The time duration for this programme is two years.
