- One proposal was from Government of Kerala to establish Defence Park at Pallakad (Kerala).
- The project at **KINFRA Defence Park, Pallakad** (Kerala) was sanctioned on 28.3. 2016 with project cost of Rs. 131.35 crore involving central grant of Rs. 50 crore.
- Another project proposal was received from Gujarat Industrial Development Corporation for establishment of **Defence Park at Sanand**.

- DIPP does not have any specific policy or scheme for assistance to promote or establish Defence Parks in States and there is no proposal at present to implement any specific scheme for providing assistance to promote or establish Defence Parks.
- However, consequent to the announcement in the Budget Speech (2018 - 19) by Finance Minister for setting up of two Defence Industrial Production Corridors in the country, the Government has decided to establish two such corridors, one in Tamil Nadu and the other in Uttar Pradesh.
