

# Government of Maharashtra Launches Kaushalya Setu Skill-Development Programme- Important (Download PDF)

(September 6, 2017)

Government of Maharashtra launched 'Kaushalya SETU (Self-employment and Talent Utilisation)' a skill development programme for students. Union Minister of State Skill Development and Entrepreneurship (Independent Charge) Rajiv Pratap Rudy and Chief Minister Devendra Fadnavis launched this programme.

*Kaushalya Setu Skill-Development Programme*

## Purpose

- Providing employment to skilled people- also signed 22 MoUs with various industries.
- Bridging the gap between education and employment.

## Key Aspect of Kaushalya Setu Initiative

- Boon for Maharashtra State Board of Secondary & Higher Secondary Education students who fail to clear Class X or SSC exam.
- Skill development courses to student when they are still preparing for compartment exams. Thus, the students do not waste a year.
- Providing skill-oriented training.
- A big boost to Central Government's Skill India Mission-2020.
