- [Is the MBA Worth the Time, Effort, and Cost?](#)
- “This article will take you through all the crucial issues you need to contemplate before making your decision of whether and when to obtain your MBA.” The following article elaborates various issues regarding the MBA especially the cost and work experience issues.
- [Why Do Companies Prefer MBAs?](#)
- The phrase “MBA preferred” gets a lot of play in Monster's online job listings. But what actually it really mean?
- [Why Engineering? -Article 1](#)
- “There would be a perception of the hard hat on a rainy day on a building site with rain trickling down the back of your neck or an engineer with his or her head stuck into a rusty engine. Most images are so far from the reality. It's a high-tech inter-personal profession with a large amount of teamwork with colleagues use of computers, high-tech equipment, financial analysis as well as planning. It's very far removed from the stereotype.”
- [Why Engineering? -Article 2](#)
- It focuses on comparison between salaries of various fields and engineering. Though the data is quite old, but provides outstanding comparison.
