

KVPY Interview

1. The questions asked in the interview are generally of school syllabus and personal questions. The questions relating to personal life may be to certain aspects such as:
 - Parent Qualification
 - Parent's occupation
 - Brothers and Sisters
2. Based on your interests and hobbies, the tips that you need to remember are:
 - You must have complete knowledge of the field that you are interested in or of which you have a hobby.
 - For example: If your hobby is classical dance, you should be able to name various forms of classical dance and describe about them.
 - If you are interested in western dance, you should have indepth knowledge in particular, so that you don't get confused while questioned about the same.
 - Have full knowledge about the recent developments that are taking place in your field of interest. Do not rest upon the historical knowledge and base your facts on that knowledge.
 - For example: If you say you are interested in cricket, you must know about IPL and T20 formats of the game and be able to answer when asked about it.
 - Interview basically is not pre-planned. It goes the way you answer which will prompt the interviewer to ask you the next question.
 - Do not tell about lot many hobbies as that will open up a wide scope of questions for the interviewer.
 - The best way to prepare for such questions is to think about three of your hobbies/interest, or anything you are passionate about. And then try to answer questions as mentioned above:
3. Based on your career goals, questions which can be asked are as follows:
 - Why you want to become say doctor?
 - What it is about?
