

## Tips to Prepare for NTA-NET JRF in Education

NTA now conducts NET Exam and there are 2 papers in all.

- Paper - I is General Paper for all – includes Teaching & Research Aptitude and is a common exam which consists of a total of 100 marks with 50 questions
- Paper II on Education consists of 200 Marks with 100 questions

### **Here is Some Preparation Tips for UGC NTA NET Education in 3 Simple Steps:**

#### Step 1: Make Time Table for Preparation

- First off all make time table and allot 100 day for preparation of Paper I, II & III.
- Look at the syllabus [for Education - NTA NET](#)
- Check out the extensive booklist available at [Examrace for Education Subject](#)
- According to this timetable divide each topic week wise.
- During preparation time make summary notes for each and every topic.
- Don't waste time to decide which topic is most important and which is not, give equal attention to each topic
- If possible Make List of week with topic you allot and one extra column which is about you whether you successfully completed this topic or not as it will helps you later when you revise syllabus
- Do not depend on just one material; try to get more and more information from different books, Wikipedia, various blogs and websites and video tutorials.
- You can also refer the Modern UGC NET/SLET Education by Anmol Publisher
- **For Postal course for Paper I visit:** [Examrace NTA NET Paper 1 Postal Course](#)

#### Step 2: Solve Previous Year Papers & Preparation Flow

- Start with [NCERT Resources](#)
- After completion of preparation it's not over here, it's just first step. Next step is evaluation of your preparation which is done by solving previous year papers.

Visit examrace.com for free study material, doorsteptutor.com for questions with detailed explanations, and "Examrace" YouTube channel for free videos lectures

- Spend at list one week time for this paper solving section, because you will get better idea about your preparation week area and paper pattern.
- Past year papers for more than 10 years are available at [Paper II and III Past Papers for Education](#)

### Step 3: Revision

- After gathering your weakness next step is revision.
- Same as above allot at list 1 to 2 weeks for revision and in this days go through all the notes which you prepare and week topics gathered in paper solving.
- Also check reviews for each topic you have made and study according to that.

### Important Topics for Education According to Paper II and Paper III Section-Wise Classification

- Educational Administration
- Educational Measurement and Evaluation
- Educational Technology
- Special education
- Teacher Education
