# Scholarships for Research in Modern Indian Languages

Doorsteptutor material for competitive exams is prepared by world's top subject experts: [fully solved questions with step-by-step explanation](#)- practice your way to success.

## Introduction

Scholarships for Research in Modern Indian Languages from the Central Institute of Indian Languages are meant for PG in linguistics and other related subjects to enable them carry out research work in doctoral studies. Central Institute of Indian Languages (CIIL) in Mysore, Karnataka is an institute for language study under the administrative control of the MHRD, Department of Higher Education, Government of India.

The CIIL was established to look after the overall enhancement in the quality of all Indian languages by using the latest scientific methods. The CIIL also motivates detailed study on the origin and evolution of these languages so as to enhance their richness. The prime objective of the CIIL is to bring about a strong bonding among the Indian populace, because of the diversity in Indian languages.

## Duration

Scholarships are for a maximum period of 2 years
