

Competitive Exams: Political Science Study Material New Flag Code

The New Flag Code

- One can hoist the flag only from sunrise to sunset.
- The ratio of width to length of the flag should be 2: 3
- Don't print it on a costume, cushion or napkin either.
- Don't use as a shroud for funerals
- Don't drape the Flag on vehicles.
- Don't hoist it upside down. Must not touch the ground.
- Must fly higher than all other flags except that of the UN or other nations.
- Don't fly a damaged flag.
- The amended code came into effect from January 26, 2003.
