**-The founding batch of Pinnacle MBA has set new benchmarks in learning-by-doing education.**

JK LakshmiPat University has announced admissions open for Pinnacle MBA for the year 2019. Pinnacle MBA is a 2-year full-time, residential, post-graduate degree programme, recognized by UGC, Government of India. The Programme provides an opportunity for students to experience industry in their classroom making them job ready once they complete the program.

The University exposes its students to a rigorous industry oriented curriculum designed by industry stalwarts. With the guidance of industry leaders, learn-by-doing approach in pedagogy and mentorship by highly qualified practitioners instills the students with 360° experiential learning to undertake the challenges of the professional environment. Students are encouraged to go beyond books and get accepted by the global corporate fraternity, transforming them into leaders of tomorrow. At JKLU, they don't just teach – they bring industry into the classroom. It has a good blend of Management Studies, Personal Growth and Liberal Arts and sciences into its curriculum.

The University believes that every individual should be given the opportunity to develop personally as well as professionally, in domain of their choice. *The programme also offers optional certification from the Wharton School, University of Pennsylvania, USA.* The programme stands out from the conventional education with a pedagogy that focuses on experiential learning, focused mentorship, multidisciplinary learning, and personal leadership.

The ongoing batch of the Pinnacle MBA finds the experience to be one of the most educating and refreshing experiences of lifetime. While the students get to work hands-on with the experts from the industry, they also get opportunity to work and explore potential in various fields of their interest. *"We are always engaged in different types of activities and each activity gives us a lesson to learn and apply in future. We also get chances to explore ourselves as much as we can."*, says Vishal Dutt, a student of the ongoing batch of Pinnacle MBA.
