

# Why Test?

## STANDARDIZATION OF TESTS

- Administered Under Uniform Conditions
- Answer Same Questions
- Are Scored Consistently/Objectively
- Measure Relative Performance

These slides accompany the YouTube Video Tutorial: <https://www.youtube.com/watch?v=fazZSkv7tjtg>

# Reliability

- Repeatability
- Consistent Scores

# Validity

- Measure What it is supposed to Measure
- Subjective Judgement – Experience and Empirical Indicators

# Norms

## Comparing results with others
